From Pastor Arnold:

What's Happening in October at West Portal Lutheran?

OCTOBER is stacking up to be a very busy month – as you can see in this edition of *PortaLight* - beginning with the Church and School Picnic on Sunday, October 2 at Pine Lake in Stern Grove. (Details on back page)

It is the end of the month, however, that brings about two very special events in the life of the church: The Western Region (English District) Professional Church Workers Conference hosted by West Portal Lutheran...and...the Annual West Portal Lutheran Mission Festival featuring a very special Evangelism/Outreach Seminar.

First, the **Western Region Professional Church Workers Conference:** On Oct. 25-27 English District pastors, deacons, and deaconesses from Arizona, Utah, Washington and California will gather here for the annual fall conference hosted by our San Francisco circuit of churches. Keynote speaker, Rev. Dr. Scott Brusek, from St. John's Lutheran in Wheaton, IL, will speak on the challenges and opportunities of the Church in this Post-Modern era. The pastors will attend our school's chapel service and will have some free time to explore SF and the Bay Area. We will host a dinner and the Conference Divine Service on Tuesday with President/Bishop Jamison Hardy preaching. We hope many of you can join us for the dinner and worship service.

**English District Western Region Conference Speaker
Rev. Scott Brusek**

The conference will be followed quickly by the **West Portal Lutheran Mission Festival** on Saturday and Sunday October 29 and 30. We are blessed to have as

our Festival preacher, Rev. Greg Finke, who is the author of a very popular book *Joining Jesus on His Mission: How to Be an Every Day Missionary*. Rev. Finke will preach at all three services that weekend. As an added bonus, Rev. Finke will lead us in a Saturday morning (10/29) evangelism/outreach seminar (8:30 – 12:00) on How to Be an Everyday Missionary in San Francisco. The congregation is invited...in fact, encouraged...to attend the seminar. We hope Lutherans from other congregations will join us, as well, so that we

can be on our way to bringing Christ to our communities in and around the Bay Area. What a great way to celebrate the 499th anniversary of the posting of the 95 Theses by Martin Luther and the onset of the Reformation of the Church!

We hope that many of you will be able to join us for these exciting events this October at WPL. May God bless us in our effort to be a missionary congregation firmly grounded in the doctrine of the Lutheran Church.

Kantor's Korner

This month I'm doing something I rarely do. While it may seem I'm only sharing about my past two years at WPL, I'm also talking about you, each and every member of the West Portal Lutheran Church and School Family.

For the past thirteen years I have served both Church and School in the called duties of shepherding our large WPL School Music program, playing Divine Services, and fulfilling all of the responsibilities associated with this ministry work area. During the interview portion of the call process with Pastor Stechholz, a significant amount of time was spent discussing pastoral care within the context of my call. Out of those conversations we now find ourselves together seeking new ways for ministry and witness in San Francisco..

In a sense, in March 2015 my life changed forever as I entered Concordia Seminary St. Louis as a Vicar in the **SMP** or *Specific Ministry Pastor* program. A few significant facts about the program are:

- ◆ *The SMP or Specific Ministry Pastor* program is a four-year distance education program that prepares men for pastoral ministry in The Lutheran Church—Missouri Synod.
- ◆ The SMP program is driven by the ministry needs of the field and exists to train pastoral leaders from existing or planned ministry and/or mission contexts where their presence is critical to the ministry in which they are serving.
- ◆ The program provides theological education in the regular daily ministry context of the SMP student.
- ◆ After nine courses or slightly over two years of study and preparation the student may

receive a call and be ordained into the pastoral office serving the local congregation.

- ◆ Following being called and ordained I will continue to faithfully serve in the ministry and mission of West Portal. But we are not done yet! I will continue to have two more years of study to complete the program.

At first this may seem only about me, but it is so much more. It's really about you, and me, and especially God who leads us in the world through His Holy Spirit to witness and serve the world as Christ has served us.

As an SMP Pastor I will be dedicated for ministry and service at WPL in an even more intentional way, not only preaching and teaching, but in pastoral care and other opportunities for witness and ministry. Throughout the often intense course work the ultimate question for all of us in the program is: How can I serve? How can I serve God at WPL? in what areas of ministry can I share and lead? These are questions I will continue to pray about and discuss with Pastor Arnold and the Church Council Yes, I will continue to serve as Kantor directing the Music Ministry but also be seeking help from others to guide and serve through the gift of music.

Several have asked: What is happening? Will you be finished soon? I am in my second year and have two more to go in the completion of the program. The program is non-stop studying and applying what we have learned, but the program is also designed to provide rightly called and ordained pastors equipped to meet the needs of the calling congregation before the end of the four years of study. With this in mind, while at the seminary in April 2017 I will receive Letters of Eligibility for a Call to WPL. Between now and this coming April are several hurdles to overcome, interviews, a ton of paperwork, and, of course, study! As we continue in the process we will be

Introducing Faculty/Staff Members

In efforts to better bridge church and school, I will include pictures and a short note from the faculty /staff of our school. Today we are highlighting Carole Leung our Sloat Campus Secretary and Ehren Simmer PE/Athletic Director.

Carole Leung and daughter, Olivia

This is my second year working in the Sloat campus office where I am also an alumna of WPL.

I have lived in the Bay Area most of my life and after graduating from UC Davis, I fell into event planning until 2003, when I decided to become a stay-home mom.

Now, my two children also attend WPLS. My son, Ryan is currently in eighth grade and beginning his journey into the high school application process, and my daughter, Olivia is in the sixth grade where she is challenged every day in her new Middle School environment. We are very blessed to be a part of this warm Lutheran community.

**The Simmer Family
Ehren, Chaeyoung and Chloe**

My wife, Chaeyoung, daughter, Chloe and I are very excited and feel very blessed to be here in the Bay Area!

I was born and raised in Cedar Falls, Iowa and am the oldest of six children. I am very happy to be able to serve here at West Portal Lutheran as the Athletic Director and Physical Education teacher. I participated in football, basketball, and baseball through high school and was fortunate enough to play basketball at Concordia University in Seward, Nebraska, from which I graduated in 1997. I have been blessed to be a part of ministries in several parts of the United States, including Nebraska, Indiana, Nevada, Iowa, and Wisconsin. I also taught English in Korea for three and a half

(Continued from page 4)

years, where I met my wife, who is from Busan, South Korea. We were married in May of 2012 and our great joy in life, our daughter, Chloe was born on April 22, 2013.

We live in South San Francisco, where the sun always shines and enjoy going to local parks, spending time on the beach, hiking and riding our bikes. We are very, very grateful for all of the welcoming we have received, from the extremely generous gift cards to the Sunday morning greetings and smiles. We feel welcomed here and look forward to making this our home for a long time. God is good all the time. All the time, God is good.

School Board Update

This past school year, the Church Council took over duties of the School Board as this board took the year to reconfigure and regroup. In June, Chris Brase was elected as the new School Board Chairperson. Chris is a member of West Portal Lutheran Church and previously held the position of Chairperson of the Outreach Cluster. Mr. Brase and I have met several times to review what the previous School Board had in place as a handbook/manual. We have determined that we would like a school board that is policy driven and therefore are putting together a new School Board Policy Manual. We think it important that we develop a school board that governs by policy and not by management. We are using as a resource a "governing manual" put out by LCMS for schools. We both feel that this Governing Manual for Lutheran Schools provides a very solid foundation as we work to create this new policy manual.

Meanwhile we are writing a "job description" for board members and also brainstorming/soliciting names of people in church/school/community to be asked to join the board. Our goal is to have a completed "job description" before we invite candidates.

Third Grader, Avery Lin, receiving her Bible

Class of 2022

Yes, the class of 2022 is in the news. This year's third graders received their Bibles in the 5:00PM Saturday worship services on September 17 and 24. Every year our third grade classes receive the precious gift of God's Word. We pray God's blessings on these students as they continue to study the Word of God. May these Bibles reveal the Lord's love to them as they grow in their faith.

Missional_Schools Workshop

Post-Christendom has radically shifted the social and cultural landscape in which our Lutheran churches and schools serve. In the once "Christendom" world, Lutheran schools existed primarily for church members. As churches declined in size, leaders of Lutheran schools expanded their horizons to include those in the general community interested in private, Christian education. But what do we do when the general community is no longer Christian? How do we intentionally reach students and parents who may not know Christ? How do we better prepare students who do know Christ to intentionally disciple those who do not? (from CNH - LCMS California/Nevada/Hawaii District publicity)

sharing more information as we move along towards the ordination and beyond.

Since 1947 West Portal Lutheran Church and School have provided vibrant ministries in the community witnessing daily the power of God's Holy Word through prayer and praise but also through service and missions. I invite everyone to please pray for me to have the discernment to hear God's Word and call to witness. But also to pray for our Church and School so that we can share in real and tangible ways God's love, compassion and forgiveness to a fallen and fractured world.

Kantor J. Wayne Kerr, Deacon

Contribution statements are available

Contribution statements for January through September 2016 are available upon request. Please contact Church & School Accountant Howard Scully at 415-661-0242, x225, or by email at howard.scully@wplsfc.com if you would like to receive your contribution statement or if you would like to compare your records to ours for the first three quarters of the year.

Safety and security in Church

Recently there was an "intruder" during a Saturday night service. Someone came in, sat down briefly, then walked up to the stairs at the altar and lay down. He then got up and returned to a pew, sat down for a short time then left the church.

The concern is "what may be the intruder's intentions?" On Saturday evening there are no assigned ushers so it becomes the responsibility of those present to take control. We do have an Usher Manual located on the Usher stand in the rear of the sanctuary. If anyone would like a copy we can provide one. In the usher manual the following paragraphs appear:

Public Disturbance:

If the Service is interrupted, the Ushers should try to remove the person as quickly and quietly as possible. **DO NOT USE PHYSICAL FORCE.** If the disturbance is too great call the police.

Call 553-0123 or 911

Obvious Intruders

If it becomes obvious that intruders are prowling about, the primary concern should be to stay with the children in the nursery and/or station someone to help protect the children from possible harm. Be aware of intruders movements and under no circumstance allow them to freely wander about. Do not confront them alone. Try to find out if they need help, and invite them to join the Service. If they leave suddenly, escort them to the limits of the Church property. Keep in mind their description or distinctive features and their vehicle and license number if possible. Be on guard for their return at a later time.

At all times be cautious and don't provoke an incident.

Rich Hesselroth, Church Council President

(Continued from WILDCATS' WORDS, page 5)

West Portal Lutheran Church and School continues to work on this challenge. We are excited to be sending Mrs. Christy Wood, Assistant Principal; Mrs. Michele Boyer, Kindergarten Teacher; Mrs. Helen Tom-Bok, Chairperson of the Bridge Committee; and me to this workshop. We hope to glean lots of ideas for Lutheran schools as mission outposts, discover discipleship training strategies, and get tools to build a bridge from the school into our church and community.

Where: West Portal Lutheran Church Parking Lot and Fellowship Hall

When: **Monday, October 31st**

Time: 6:00PM to 7:30PM

This is a family event. There will be games and activities in the Fellowship Hall. The parking lot will be closed to provide an opportunity for trick or treating at the trunks of various cars in the lot.

Sounds like fun? Here's how you can help:

- 1) We need candy to give out as prizes during the games and to supplement the trick or treat candy in the trunks. Bags of wrapped candy may be left in the church office. (Church staff members promise not to eat the treats ahead of time—although they may need to test a few pieces as a matter of quality control!!)
- 2) We need volunteers who are willing to park their cars in the parking lot, open up their car trunks, and distribute candy to the trick or treaters. If you can help with this, please sign the sign-up sheet in the Narthex, fill up your trunk with candy, and come to the West Portal parking lot between 5:15PM and 5:45PM on Monday, October 31st.

- ◆ be enthusiastic participants and ready to give a hand, whether or not we are on the planning or cleanup committees
